SAVE BIGGER, SCORE HIGHER!

The Score is your passport to simultaneous multi frequency precision for turn on and go treasure detecting

With a price that defies industry standards, the SCORE offers the same simultaneous multi frequency capabilities as high-end devices at a fraction of the cost.

The Score Series, AccuPOINT pinpointer, and Nokta Bluetooth Headphones seamlessly work together in perfect sync.

Auto Noise Cancellation

Get rid of electromagnetic interference (EMI) easily.

60 Target IDs & Harmonic Tones

Accurate Target IDs and harmonic tones allow you to identify targets easily.

Easy Operation

Saves valuable detecting time and makes the device suitable for the novice, as well as experienced detectorists.

Vibration

The SCORE will vibrate upon detection of a target! Ideal for the hearing impaired users, as well as for detection underwater or low light visibility.

Backlit LCD & LED Flashlight

The easy-to-read screen & light can operate in all environments including low light situations.

Lightweight & Well Balanced

Only 2.6 lbs (1.2 kg) Enjoy detecting for extended hours without fatigue.

Long Battery Life

Easily charge it with a USB charger or powerbank. Provides up to 12 hours of use.

Online Firmware Updates

Stay up-to-date with firmware updates (via USB) and get the most out of your detector.

SEAMLESS BEACH PERFORMANCE

Unleash your detecting skills without the hassle. The SCORE Series simplifies your hunt, ensuring you capture every treasure beneath the wet sands or in salt water without compromising on precision.
